

# Doorstep Order Program™!

(continued)

## 3. Call for a price and pick-up:

We'll quote your price right over the phone. Then, simply hang this completed tag on your front door for a free curbside pick-up.

# 352-236-8869

If you prefer, we'll gladly schedule a free in-home consultation.

(Note! Some applications require an in-home consultation. Thousands of local references available upon request.)

### Order Authorization

- A copy of your order, detailing measurements, color, price, terms and approximate lead time, will be provided at time of curbside pick-up.
- Retractable screens feature non-retaining tracks that allow for the mesh to move back and forth into and out of the tube. While this makes the mesh more impact-resistant, it is also possible for excess wind pressure to temporarily cause the edges of the mesh to move out of the tracks. A more detailed explanation of this limitation, known as "wind sail," will be given on your actual order form.
- With the exception of the screen fabric, our systems carry a manufacturer's limited lifetime warranty.
- By signing below, I acknowledge that I have read, understood and accepted the above conditions, and I hereby authorize Michele's Hide-Away Screens to process my order in good faith.
